PROGRAM OVERVIEW

DESIGN

The Design Services Program through Optima Sales Group offers professional cabinetry design to Kitchen and Bath Dealers, Designers & Industry Professionals. Design Services provides assistance in creating, designing & pricing for Bellmont Cabinet Company & Plato Woodwork. The Design Services Team will ensure your clients receive professional, accurate, comprehensive & detailed designs.

PRICING

Design Services is a pre-pay service based on an hourly Design Fee:

\$40.00 Per Hour

Billed in 15 minute Increments

One FREE hour with your first purchase

Dealers are required to submit payment in advance for all Design Services. Dealers have the opportunity to pay-as-you-go, or create a payment surplus for future design work.

Your account is available to you at any time and will be provided upon request. Design work will not begin until payment is received.

LEAD TIME

Design Services will provide your complete design within 72 hours or (3) business days. Designs are processed in the order in which they are received. On occasion, lead times can vary. The Design Team will communicate the "Estimated Time of Completion" before any work begins.

DESIGN TEAM

The Design Team are highly talented, experienced individuals who are committed to providing the most innovative, creative, high-caliber professional designs.

- Maintains current 20-20 Design Software
- NKBA Membership
